- Track & Trace
- Authentication

Did you know?

- Your products are at **risk of rejection by retailers** if you use unregistered, incorrect, or non-standard barcodes
- Retailers such as **Tesco** are requiring their suppliers to have **proper packaging levels and barcoding of inner and outer cartons**
- **Consumer confidence** in a product decreases if its barcode fails to comply to industry standards
- Consumers are **increasingly concerned** about the authenticity and origin of the products they purchase
