

GS1 Supplementary Documentation Overview & Acknowledgement Form

Verified by GS1 & GAC Support & Services (VbG & GACSS)

We, the undersigned, hereby agree to **subscribe for the VbG & GACSS** & agree to abide by the following clauses regarding the VbG & GACSS:

VbG & GACSS: Overview

- The Verified by GS1 & GAC Support & Services (VbG & GACSS) is an **optional support & services package** that provides access to GS1 Services and Platforms, primarily for data management.
- The Verified by GS1 & GAC Support & Services (VbG & GACSS) is **not** a part of our GS1 Membership Licence and must be **maintained or acquired separately**.
- To provide GS1 Malaysia Berhad with full access to, allow the use of, and agree to allow the sharing of **all our submitted product, location and entity information**, if any, that was provided by our company to GS1 Malaysia Berhad, as deemed necessary, such as to serve as a trusted source of product information for retailers, international buyers, trading partners, government agencies or for any marketing and promotion activities.

VbG & GACSS: Payment & Renewals

- The VbG & GACSS is a **subscription-based** service package at **RM580.00** (Standard & Additional) and **RM380.00** (Small Block & GLN) respectively.
- The VbG & GACSS **will automatically renew**. If we do not wish to renew it, we must inform GS1 Malaysia Berhad **3 months before the next billing cycle** (June to July), or the renewal fee will be billed to our company.
- The VbG & GACSS subscription is due for automatic renewal **every year**, unless subjected to an ongoing promotion, which **extends its renewal period to 3 years**.

VbG & GACSS: Data Management

- The VbG & GACSS maintains and governs **all data submitted or provided** by my company to GS1 Malaysia, which includes but is not limited to **product data, company data, entity data, location data, and asset data**.
- The data maintained by GS1 is **stored** in **GS1-managed data repositories**, either **local or global**, which includes but is not limited to the **Member Product Databank, GS1 Malaysia GLN Registry, 2D Repository Platform, the Global Registry Platform (GRP)** and **GS1 China's GAC Single Window** data repository.
- The information submitted to GS1 Malaysia for the express purpose of upload & sharing on our data repositories **are uploaded as-is**. It is the **sole responsibility of the submitter** to ensure all submitted information is **up to date, accurate and in compliance** with GS1 data submission terms and conditions.
- GS1 Malaysia reserves the right to **solely reject** the uploading of the product listing submission without cause or if the information provided is not in accordance with GS1 product submission guidelines as stipulated in these terms and conditions or as shown in our submission guide.
