Your gateway to compliant product declaration in China

Sustainability: Ensure regulatory compliance, protect against counterfeit products and promote sustainability with authentic, transparent product data.

China GAC Initiative Single Window & GTIN Filing Services

Your gateway to compliant product declaration in China

This service supports businesses in complying with **China's GTIN filing and authorization requirements**, as mandated by the **China General Administration of Customs (GAC)** under the "Single Window" declaration system.

It is essential for companies using **non-GS1 China GTINs** on China-labeled products, ensuring smooth customs clearance and regulatory compliance.

*(To access this service, a subscription to the **VbG-PDSS** service is required.)*

VbG-PDSS provides:
